SUBJECT: MEMBERSHIP FORMS

Dear All,

The Lifesaving South Africa official Database is ready for a test drive. We are awaiting the majority of the outstanding membership forms from clubs. Many forms have been received with no ID numbers. We urge you to please cooperate with our data capturer Ryall Dorkin and respond to emails and phone calls on outstanding ID numbers. The due date for all submissions is the 5 January 2008.

The membership forms are the foundation of the entire database. We urgently require this information to complete the database for the up and coming nationals.

Once again we appeal to all clubs to send these in as soon as available so that any further delays are kept to a minimum.
Your co-operation in this regard would be greatly appreciated.

Attached is the official membership form.

Yours faithfully,
