**SUBJECT: TRAINING OF LIFEGUARDS**

---

Dear Sir/Madam

Lifesaving South Africa is pleased to inform you that we have been granted a small pot of funding by the Royal Lifesaving Society (UK) for the training of previously disadvantaged life guards in the 5 Stillwater provinces.

We are allocating R4000.00 per province and request that each province train a minimum of 10 previously disadvantaged members as life guards. The primary objective of the project is to train life guards with the view of becoming employed. You will be given 3 months to train the life guards and 3 months to support and assist the life guards with finding jobs.

Please forward to Head Office a budget and training plan for actioning by the 15<sup>th</sup> January 2008. Lifesaving South Africa will cover the cost of the handbook and assessment. Money will only be released upon the submission of invoices in line with the budgets submitted.

Yours faithfully,
