**TO: MANAGEMENT BOARD

C.C: GENERAL MANAGER – ARVASHINI SING

FROM: PRESIDENT – MR JOHN JULYAN

DATE: 5 NOVEMBER 2007

SUBJECT: NOTICE OF RESIGNATION OF MR DHAYA SEWDUTH

Dear All,

Please accept the advised copy with the small adjustments.

It is with regret that I have to accept the resignation of Past President Dhaya Sewduth from the Management Board. Dhaya would like to take up his vocation again and his employer would like to have him back at his desk for at least two days per week.

Seriously though, I will miss Dhaya's input and wisdom on the Board, and will call on him to help out with the tasks he set in motion. In fact Dhaya has been accredited as Lifesaving South Africa's official advisor to pursue the task of setting up a Water Safety Council.

Dhaya has been a stalwart in our movement and has sacrificed many hours for lifesaving, and especially with the new constitution. His liaison with the Government Bodies will be sorely missed.

Dhaya, have a short break, but realise you will be called upon again soon to give of yourself some more.

PS: The notice of Dhaya Resignation was not communicated to the movement at an earlier stage because head office was awaiting his letter of resignation.

Regards

John Julyan
